

## Stephen Hemsley

Executive Chairman  
UnitedHealth Group Incorporated

Stephen Hemsley is executive chairman of UnitedHealth Group, a diversified health and well-being company dedicated to helping people live healthier lives and making the healthcare system work better for everyone. UnitedHealth Group provides a comprehensive array of health benefits and health services that help to improve the affordability, accessibility, quality and convenience of healthcare. Hemsley also serves as a member of the company's board of directors.

He previously served as chief executive officer, president and chief operating officer of UnitedHealth Group. Prior to joining UnitedHealth Group in 1997, Hemsley was managing partner in strategy and planning and chief financial officer for Arthur Andersen, LLP.

Hemsley serves on the board of directors for Cargill, a global provider of food, agriculture, financial and industrial products and services. His philanthropic interests focus on healthcare, education, and religious and social services, principally in the Twin Cities area. Hemsley received a bachelor's degree in accounting from Fordham University in 1974.
